Dear Gene,

Thank you for bringing to our attention the conversation reported by Captain Harry W. Bergbauer, Jr., USN, between the South African Director of Foreign Relations, Ministry of Defense, and the French Defense Attache to South Africa. We are intrigued by the invitation offered by the Director to the French Attache and concur with your suggestion to have a Defense Attache in South Africa approach the South African Ministry of Defense Foreign Relations Officer with a request to visit the Kalahari site. In view of Ambassador Bowdler's dialogue with the South African officials about Kalahari, we assume that the Defense Attache would, of course, coordinate his request with Ambassador Bowdler.

At the present, we do not have any information on the current South African Government policy regarding the visitation by foreign officials to the Kalahari site. However, if the Defense Attache's request is accepted by the South Africans, it will give the United States intelligence community an opportunity to verify certain questions that have been raised concerning the purpose of the Kalahari site.

Please keep me informed of future developments in this case, and let us know if we can be of any further assistance in this matter.

Yours,

STANSFIELD TURNER
